## **HDFC-1000 Foil Cutter**

- **One hp motor** with manual motor starter switch with over load protection built in, **120 volt standard plug**
- **High torque belt drive** for smooth running and solid driven pulleys with bearings and **one inch shaft**
- Cutting mandrel for one inch core rolls, complete with drive bearing and sleeve, **masters to 30" wide (76.2 cm)**
- **Drop in style of mandrel** for easier loading / unloading of rolls by the operator
- **Locking "pivot style" knob on the tail stock** end mount for the mandrel
- Solid construction for motor plate and chuck plate, **1/2" (1.27 cm) inch thick flat steel tie bars** with four point bolt down holes for workbench installation
- **Dual 1 inch diameter guide rods**, type **L hardened steel** for additional strength of the machine frame
- Four linear ball bushings in the carriage assembly for accurate smooth positioning along the rods for stability of the cutting
- **Easy locking knob** holds the carriage after it's positioned
- **Dual 5/8" (1.59 cm) diameter push rods**, type L hardened steel provide easy lever movement in & out of the cutting
- Four linear ball bushings in housings allow for low force control of the cut
- **Vertical blade mount locked to the 5/8" (1.59 cm) push rods** allows for a solid blade mount and easy to use lever control
- **Positive stops for blade travel** help prolong the blade life and mandrel conditions
- Quick measure reference for cut widths
- **Installed 10" (25.4 cm) round blade** with safety pivot guard and flush aluminum guard
- **Mounted vertical plexi glass guard** provides additional operator safety while cutting
- Well suited for demanding production locations and quick turnaround time for cutting in house
- Includes all manufactures warranties, how to operate, parts list
- **Complete machine ready to use**
- **Model General HDFC-1000 with 10" (25.4 cm) blade & chuck assembly (about 8" (20.32 cm) diameter rolls)**

### **Price:**

**Machine base price for General Model HDFC-1000 - \$ 4,695.00 USD - FOB Ghent, NY USA**
